

Frequently Asked Questions about Powerboat Training

1. What should I bring?

Suitable clothing for 2 days out on the powerboat, it may get chilly out on the water so we recommend bringing lots of layers.

A pair of shoes that you don't mind getting wet- ideally wellies, old trainers or flat bottomed boots. As it may be a cold and wet couple of days, make sure you're wrapped up warm, so gloves & beanies as well.

Sunglasses for eye protection & Sun cream.

Passport sized photograph.

2. Do we provide lunch?

Lunch is not included unless otherwise requested. Feel free to bring a packed lunch to eat here at our HQ or lunch can be purchased at one of the many waterfront cafes or restaurants.

3. Why do I need a passport photograph?

The Powerboat Level 2 certificate requires a photograph so it becomes a form of photographic ID. We cannot issue your licence without one.

4. What time does the course start & finish?

The course will start promptly at 0930am on both days of the course and will run until 17:00.

5. Will I be getting wet/ in the water?

No – everyone will remain in the boats when afloat. The man overboard drills will be carried out using a dummy.

6. Does the course get cancelled due to poor weather?

No – The course will run whatever the weather, just please be prepared, sun cream and hat or warm layers!

7. Do I need to make you aware of any medical or physical conditions prior?

Yes – It is very helpful if you could please let us know via email or a quick call to the office if there are any medical or physical conditions our instructors need to be aware of.
